Two Presidents' Thoughts. . . .

Christine Kenworthy & Nell Stinson
Co-Presidents

Earth Day was April 22. It's a reminder to be mindful of our beautiful planet. Earth Day made me think of the many people around the world who care about the health of the Earth. So, even a small thing like making a necklace from fabric scraps can help in the long run.

I attended a sewing workshop a few years ago, before the pandemic. As we all worked on our projects, I noticed the floor was full of fabulous fabric scraps, and I scurried around picking them up. Then I cut them into strips and proceeded to tie these onto a band made from an old t-shirt. The necklace was interesting, and when looking at it, I can remember that day and all the people who were there with me. Since then, I've made many more; some I have given as gifts.

So many of us are learning how to reuse and repurpose items to keep us from discarding huge amounts of fabric, notions, buttons, wallpaper (I have made necklaces out of wallpaper from **FabMo**), etc. from ending up in landfills.

So, keep up the good work so we can all live safely, happily and together on this wonderful Earth!

Christine

Other Speaker Info

From *Wren Clark*: In her talk, **Lorraine Torrence** mentioned that she is selling off her samples. I went to her website and found that she's selling off a number of things as she is planning to cut down her stash as she is aging. She presented a wonderful presentation and workshops in March and April, so I thought we might mention that and that she's selling off some of her work.

<https://www.lorrainetorrence.com/> is her website address.

On the next page, see a result from her workshop.

Carolyn Soto has been busy since the bias edged workshop by **Lorraine Torrance**. Carolyn Botta comments that her mother always loved vest and now she loves them too

Anne Vogle contributed this information about the **Lace Museum in Sunnyvale** and their **Lace Knitting group**.

I think Debbie Bretchnieder sent me these pics of a kimono she made from this Star Wars fabric (note the mask). If it was not Debbie, let me know and I'll do an errata next month Oops! Ed.

The Circle of St Paul's, Burlingame is planning a ONE DAY sale on **Saturday, May 7 from 10:00 AM – 4:00 PM**. We have a huge inventory of donations that have been in storage during the Pandemic. We are hoping to clear our inventory! With the hope and expectation that Covid numbers will allow, the sale will be held with social distancing and masking as appropriate.

The Circle is a small but mighty group, but we do need volunteers to help us! I especially need help in the Holiday, Crafts & Sewing Department. We've recently had a huge donation of beautiful leather hides and upholstery weight fabrics, with more items to be unpacked before the sale.

I welcome PenWAG members who have some time and would like to help out for even a hour or so, to contact me directly:

Charlotte Greig cggreig@att.net

Help needed in Holiday, Crafts & Sewing Department:

Sale Set-up - Help needed on Saturday morning, from about 7:30 AM to 10:00 AM. Strong volunteers especially needed to help set up tables in the parking lot, carry and unload boxes from nearby garages.

Sale volunteers - Help needed from about 9:00 AM Saturday morning through about 3:30 PM afternoon.

Lunch Relief volunteers - Help needed for 1-2 hours, mid day, so our all-day volunteers can take a break.

Breakdown - Help needed on Saturday afternoon, from about 2:30 PM onwards. Strong volunteers especially needed to breakdown the tables in the small parking lot and carry repacked boxes to either to storage or ready for donation pickup.

Or mark your calendar for May 7th and come shop the sale.

45th Anniversary Exhibition: New Directions

February 9—July 3, 2022

This special anniversary exhibition highlights recent acquisitions at San Jose Museum of Quilts & Textiles in a series of thematic installations spanning three galleries. Both the specific artworks and broader themes explored in this survey reflect the diverse reasons our Museum seeks and acquires new works. *New Directions* prominently features recent artwork from SJMQT's Artist in Residence program. Established in 2016, this program supports local artists with on-site studio space and opportunities to exhibit work in the Museum's Maker Space Gallery. This program has deepened the Museum's commitment to supporting contemporary artists from or working in the Bay Area, including Alexander Hernandez, Liz Harvey, Amber Imrie, Carolina Cuevas, Tricia Royal, Mung Lar Lam and more.

Works of art gifted by the Museum's many donors and patrons appear in each section of *New Directions*. Their generosity and dedication allow us to expand SJMQT's collections and cultivate curiosity, wonder and excitement in our audiences.

Coming Together - A Quilt for Healing

February 9- July 3, 2022

SJMQT and the [Kids & Art Foundation](http://www.kidsandart.org) celebrate their first collaboration inspired by the historic Gee's Bend Quilts featured in author Tangular A. Irby's children's book [Pearl and her Gee's Bend Quilts](http://www.pearlquilt.com). The Kids & Art community project, "Coming Together, a Quilt for Healing," spotlights quilt squares created by pediatric cancer patients during an online art workshop lead by artist Caroline Robins and Tangular Irby. Volunteers and donors also contributed quilt squares as part of the community project in support of the Kids & Art mission to bring the healing power of art to children and families confronting childhood cancer.
